

THE SPORTS SALOON REDEFINED  
FLEET & BUSINESS

XE

JAGUAR

## NEW JAGUAR XE

The new Jaguar XE is the latest addition to our growing family. XE joins, XJ, XF, XF Sportbrake and F-TYPE as our new C/D segment premium business car.

The first of a new generation of Jaguar cars to feature our all new Aluminium Intensive Architecture, XE delivers responsive sports handling and incredible fuel efficiency.

There is a range of engines available to suit every driver and driving style – from the pure exhilaration of a supercharged V6 to the frugality of our new range of Ingenium diesel engines, which can achieve a fuel economy as low as 3.8l/100km with CO<sub>2</sub> emissions from 99g/km.

### Standard equipment across the range

- Intelligent Stop/Start System
- 8-inch colour Touch-screen display
- Dual-zone climate control
- Bluetooth telephone connectivity
- Emergency Brake Assist
- Jaguar Smart Key System with Keyless start
- Dynamic Stability Control and Traction Control
- USB, Auxiliary socket and iPod connectivity
- Electric Parking Brake (EPB) – drive away release
- Hill Launch Assist

### Fast Facts: 2.0 litre i4 163PS Turbocharged Diesel E-Performance

CO <sub>2</sub> emissions	from 99g/km	Acceleration	0-100km/h 8.4 seconds
Fuel economy (combined)	3.8l/100km	Engine Capacity	1999cc
Power	163PS	Dimensions* (mm) (LHW)	4672x1416x2075
Top speed	227km/h

**NO ORDINARY BUSINESS**  
FLEET & BUSINESS

**ALL-NEW XF**

**JAGUAR**

## ALL-NEW XF

All-New XF builds on its multi award-winning predecessor's qualities to deliver the very best for your Fleet & Business needs: competitive Total Cost of Ownership, assertive style and unrivalled levels of comfort and technology.

Thanks to Jaguar's Lightweight Aluminium Architecture, the All-New XF is one of the lightest cars in its class. This weight saving improves fuel efficiency and reduces CO<sub>2</sub> emissions to as low as 104g/km. It is also the foundation of the All-New XF's renowned ride, handling and dynamics.

Inside, the All-New XF offers abundant space with class-leading rear seat space - 15mm more leg room and 24mm more knee room than its predecessor. Plus innovative technologies designed to make every journey safer, more enjoyable and better connected.

### Standard equipment across the range

- Autonomous Emergency Braking with Lane Departure Warning
- All Surface Progress Control (automatic only)
- InControl Technology
- Start/Stop Technology
- Smart Regenerative Charging
- Aluminium Double Wishbone Suspension
- Integral Link Rear Suspension System
- Electric Power Assisted Steering
- Low CO<sub>2</sub> Technologies

### Fast Facts: 2.0 litre Diesel 163

CO <sub>2</sub> emissions	from 104g/km	Acceleration	0-100km/h 8.7seconds
Fuel economy (combined)	4.0l/100km	Engine Capacity	2.0ltr (1999cc)
Power	163PS	Dimensions* (mm) (LHW)	4954x1457x2091
Top speed	229km/h

LUXURY REDEFINED  
FLEET & BUSINESS

XJ

JAGUAR

## XJ

XJ defines what a luxury car should be: beauty, innovation and all-round refinement. A tinted panoramic glass roof gives XJ's interior a feeling of airiness and space, while its strong lightweight aluminium body provides agility and superlative handling for a sublime driving experience.

Together with advanced technology, like the customisable virtual instrument panel and cutting-edge InControl Touch Pro infotainment system, XJ is created to satisfy the most demanding driver's requirements. For equally demanding passengers, a spacious cabin features business trays, reading lamps and a Rear Seat Entertainment system.

### Standard equipment across the range

- Intelligent Stop/Start system
- 8-speed Automatic Transmission
- Adaptive Dynamics
- Dual-zone automatic climate control
- State-of-the-art infotainment system, InControl Touch Pro
- Meridian 380W sound system
- Bluetooth audio streaming
- Virtual instruments
- Panoramic glass roof

### Fast Facts: 3.0 litre V6 300PS Diesel Standard Wheelbase

CO <sub>2</sub> emissions	from 149g/km	Engine Capacity	2993cc
Fuel economy (combined)	5.7l/100km	Length (mm)	5,130 SWB / 5,255 LWB
Power	300PS	Height (mm)	1,460 SWB / 1,460 LWB
Top speed	250km/h	Width* (mm)	2,105 SWB / 2,105 LWB
Acceleration	0-100km/h 6.2 seconds

**THE MOST DESIRABLE SPORTS CAR**  
FLEET & BUSINESS

**F-TYPE**

## F-TYPE

Powerful, agile and utterly distinctive, F-TYPE is a true successor to the legendary E-type and the latest in a distinguished bloodline of Jaguar sportscars.

It has been engineered for outstanding performance and instantaneously responsive handling, with supercharged engines, lightweight aluminium body construction and advanced driving technologies.

With an eye for even the smallest detail, every inch of F-TYPE's luxurious interior reveals an obsession with balance and proportion that breathes undiluted Jaguar DNA.

### Standard equipment across the range

- 6-speed close ratio manual transmission\* (F-TYPE and F-TYPE S)
- Dynamic Stability Control (DSC) with Trac DSC mode
- Intelligent Stop/Start system
- Bi-function HID Xenon headlamps with washers and LED signature lights
- Jaguar Smart Key System with Keyless start
- Instrument cluster - twin dials with 5-inch colour TFT display
- 8-inch colour Touch-screen display
- Navigation system
- USB, Auxiliary socket and iPod connectivity

### Fast Facts: 3.0 litre V6 340 Supercharged Coupé

CO <sub>2</sub> emissions	from 199g/km	Acceleration	0-100km/h 5.3seconds
Fuel economy (combined)	8.4/100km	Engine Capacity	2995cc
Power	340PS	Dimensions** (mm) (LHW)	4470x1311x2042
Top speed	260km/h		

Figures are shown for automatic transmission.
